

IN THE CLAIMS:

Without prejudice, make the changes in the claims as indicated:

1. **(original)** A food supplement comprising a capsule including a blend of at least three of the following freeze-dried bovine tissues: stomach, liver, kidney, heart, and spleen.
2. **(original)** The food supplement of claim 1 where the blend comprises no less than 2 percent by weight and no more than 92 percent by weight of any one of the freeze-dried bovine tissues.
3. **(original)** The food supplement of claim 2 where the amount of the blend of freeze-dried bovine tissues in the capsule is from 190 to 1100 milligrams.
4. **(original)** The food supplement of claim 1 where the blend includes bovine glandular tissue.
5. **(original)** The food supplement of claim 4 where the blend comprises at least 8 weight percent of any one, or mixture of, the freeze-dried bovine glandular tissue.
6. **(original)** The food supplement of claim 4 where the bovine glandular tissue is selected from the group consisting of adrenal cortex tissue, breast tissue, pancreas tissue, thymus tissue, duodenum tissue, parathyroid tissue, pituitary tissue, ovary tissue, placenta tissue, orchic tissue, prostate tissue, thyroid tissue, and uterus tissue.
7. **(original)** The food supplement of claim 1 where the tissues are derived from range fed cattle and made by a freeze-drying method conducted at a reduced temperature that avoids destruction of the active enzymes in the tissue.

8. **(original)** The food supplement of claim 7 where the temperature at which the freeze-drying method conducted from minus 5°C to 38° C.
9. **(original)** The food supplement of claim 1 where the blend comprises from 2 to 92 weight percent of the freeze-dried bovine stomach tissue, from 2 to 92 weight percent of the freeze-dried bovine liver tissue, from 2 to 92 weight percent of the freeze-dried bovine kidney tissue, from 2 to 92 weight percent of the freeze-dried bovine heart tissue, and from 2 to 92 weight percent of the freeze-dried bovine spleen tissue.
10. **(original)** The food supplement of claim 1 where the blend comprises bovine liver tissue of 70 weight percent or more.
11. **(original)** The food supplement of claim 1 where the blend comprises bovine kidney tissue of 70 weight percent or more.
12. **(original)** The food supplement of claim 1 where the blend comprises bovine spleen tissue of 70 weight percent or more.
13. **(original)** The food supplement of claim 1 where the blend comprises bovine stomach tissue of about 70 weight percent or more.
14. **(original)** The food supplement of claim 1 where the blend additionally includes freeze-dried bovine tissue selected from the group consisting of bone tissue, brain tissue, lung tissue, eye tissue, lymph node tissue, artery tissue, large intestine and bone marrow tissue.

Cancel Claims 15 through 18.

19. **(original)** A food supplement comprising a blend of at least three of freeze-dried bovine tissues selected from the group consisting of stomach tissue, liver

tissue, kidney tissue, heart tissue, and spleen tissue.

20. **(original)** The food supplement of Claim 19 additionally including freeze-dried bovine glandular tissues selected from the group consisting of adrenal cortex tissue, breast tissue, pancreas tissue, thymus tissue, duodenum tissue, parathyroid tissue, pituitary tissue, ovary tissue, placenta tissue, orchic tissue, prostate tissue, thyroid tissue, and uterus tissue.

21. **(original)** A food supplement comprising a blend of freeze-dried bovine stomach tissue, liver tissue, kidney tissue, heart tissue, and spleen tissue.

22. **(original)** The food supplement of Claim 21 additionally including freeze-dried bovine glandular tissues selected from the group consisting of adrenal cortex tissue, breast tissue, pancreas tissue, thymus tissue, duodenum tissue, parathyroid tissue, pituitary tissue, ovary tissue, placenta tissue, orchic tissue, prostate tissue, thyroid tissue, and uterus tissue.

Cancel Claims 23 through 31.
